Education

Mechanical Engineering, Diploma
SIT's Sou. Venutai Chavan Polytechnic
August 2015 - June 2018

Mechanical Engineering, B.E.
MMCOE, Pune University
August 2018 - July 2021

Technical Skills

HTML5 CSS3 JavaScript

React Tailwind CSS

Responsive Web Design Git

Redux RESTful APIs

MongoDB Node.js

Soft Skills

Attention to Detail

Adaptability

Time Management

Effective Communication

Teamwork Problem Solving

Achievements

Bravo award

Ashutosh Dattatray Fase

Frontend Developer(React)

Professional Summary

Dynamic frontend developer with strong proficiency in React.js, Redux, JavaScript, and frontend technologies like HTML and CSS. Adept at creating visually appealing and responsive user interfaces. Skilled in integrating frontend components with RESTful APIs and optimizing web performance. Experienced in leveraging Generative AI for rapid adaptation to new tech stacks.

Experience

NSEIT, Limited | Junior Engineer   March 2022–present
- Developed and maintained automation scripts to streamline system administration tasks, reducing manual effort by 30%.
- Collaborated with cross-functional teams to troubleshoot and resolve incidents, ensuring optimal performance and uptime of critical systems.
- Managed and optimized database performance, contributing to the stable operation of enterprise-level applications.
- Provided detailed documentation and support to clients, enhancing their understanding and use of system functionalities.

Projects

Ochi Design Clone

JavaScript HTML5 Tailwind CSS React

- Pixel-perfect replication of the original Ochi Design website using React and Tailwind CSS.
- Implemented smooth animations and transitions for an enhanced user experience.
- Leveraged Tailwind CSS for modern styling, aligning with minimalistic design principles.
